Dear Parent/Carer

In order to check how your son/daughter is getting on after leaving Humberston Park School, we need your agreement to share information with the Local Authority that identifies your son/daughter and what they have gone on to do. The Local Authority have a statutory duty to track and record destination data for Children and Young People with Special Educational Needs and Disabilities (SEND) up to the age of 25. As a school, we already do this as a requirement of the Education and Skills Act 2008, until they are aged 16. In order to aid the Local Authority in tracking destination data, we need to check you are happy for us to continue doing so for an additional three years after they leave Humberston Park School.

We will liaise with post 16-19 provisions to collect data but you may also be contacted if we are unsure where or how your son/daughter is getting on in their education, social care provision or employment. Each contact will take no more than 5 minutes.

Data collected by the school and Local Authority will be stored by Humberston Park School so that we can evaluate the social care provision, careers and educational information and support we provide to future Children and Young People and their families.

The destination data we collect when appropriate will be:

- Name of post 16-19 provision
- Number of days your son/daughter attends the provision
- Date of entry to provision
- Expected duration at provision
- Course Titles / Qualifications
- Job Title
- Employment status (Part-time, Full-time, Voluntary)
- Employer
- Living status (Living at home, Independent Living, Supported Living)

The data collected will be kept in the strictest confidence. It will only be published in an anonymised format so personal details will remain private.

I consent to the data provided below to be shared between Humberston Park School and the Local Authority in order to review my son/daughters progress and to improve careers guidance, social care and further education provision information and support, and to being contacted by Humberston Park school for the reasons set out above.
